

RECOMMENDATION NO. 9

RECOMM 9

~~SECRET~~

INSPECTOR GENERAL'S RECOMMENDATION NO. 9

"The position of Chief, Administrative Support Division, should be raised to a GS-15 and the Division should be assigned broad responsibilities for the formulation and implementation of administrative policies and procedures."

~~SECRET~~

CHIEF, MEDICAL STAFF, COMMENTS REGARDING RECOMMENDATION NO. 9

In the currently proposed reorganization of the Medical Staff, the Chief, Medical Staff, recommends that the position of Chief, Administrative Support Division, be raised from its current grade of GS-13 to GS-14. It is agreed that the grade GS-15 is ultimately desirable; however, it is considered preferable to approach that grade after appropriate experience and growth has been obtained within the Division concerned.
